QUIZ COMPETITION
GUIDELINE BOOKLET

TEAM & REGISTRATION INFORMATION

TEAM FORMATION

- Each team must consist of 5 members.
- Limited spots are available, so teams are encouraged to register early.

Registration must be completed as a team.

Individual registrations for the Quiz Competition will not be accepted.

REGISTRATION GUIDELINES

For Quidians

- Quiz Competition registration fee: PKR 2,000 per team.

For Participants from Other Colleges:

- No additional Quiz Competition registration fee is required.
- Participants only need to pay the Conference Registration Fee.

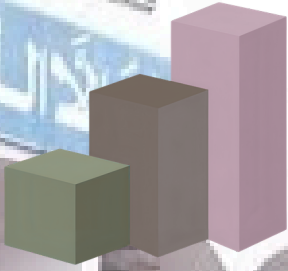

TEAM & REGISTRATION INFORMATION

Registration Requirements

While submitting the Quiz Competition registration form, each team must upload proof that all 5 team members have registered for the conference(for participants from other medical colleges)

Important: Conference registration does not require any additional payment specifically for the Quiz Competition for participants from other colleges,same goes for quidians if they register for conference.

BET YOUR KNOWLEDGE

Research-related questions

30 seconds maximum/question

BUZZER ROUND

Clinical signs will be displayed. Teams compete to identify the correct diagnosis/answer.

IMPORTANT DETAILS

01 — Interactive Pre-Session

An interactive online pre-session will be conducted before the competition to help participants understand the quiz format and clarify any questions or concerns regarding the competition.

02 — Eligibility

Students from all years of MBBS are eligible to participate in the Quiz Competition.

03 — Quiz Syllabus

The complete syllabus and list of topics from which the quiz will be prepared will be shared shortly before the competition deadline. This will include:

- Anatomy & Physiology topics for the initial phase
- Research-related topics for the intermediate and final phases

Participants are advised to review the provided syllabus once it is released and prepare accordingly.

BUZZER ROUND

Clinical signs will be displayed. Teams compete to identify the correct diagnosis/answer.

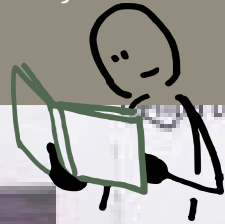

IMPORTANT DETAILS

04 — Equipment & Internet

Each team must bring a laptop to the competition venue for participation in the quiz.

Teams are also required to have access to a stable internet connection during the competition. Participants are advised to ensure that their device is fully charged and ready for use.
